St. Christopher Preschool

Junior Class (3-4 year old)

Our three-year-old class is geared towards language and speech development as well as social skills. For many children this is the first time they are ever in a structured classroom atmosphere. We begin the year by emphasizing friendship, sharing, taking turns, kindness, and social skills. Most importantly, the children are introduced to Catholic religion. We also work a lot on learning the routine of the day. There are many new things to learn and do.

We strive to present all our activities in an atmosphere that is fun and comfortable. Over the years, we have heard stories of our preschoolers enthusiasm and desire to be in this class.

Pre-K Class (4-5 year old)

Our Pre-K classes are very busy. The teachers devote a lot of time getting the children ready to go on to kindergarten.

Skill time for this age group will include a sampling of many things they will be exposed to when they reach kindergarten. This includes: letter writing and recognition, number writing and recognition, practicing writing first then later last names, number/numeral matching, upper/lower case matching, addresses and telephone numbers, etc. We here at the school try very hard to make sure our Pre-K children are ready to go on to kindergarten, but at the same time we want them to have fun and enjoy themselves.
